17. RECEIPTS AND PAYMENTS

As circulated with the agenda. It was RESOLVED to note the payments made.

18. FINANCIAL REVIEW

Report attached to the minutes and noted.

19. WAVERLEY BOROUGH COUNCIL

Finances - Waverley still waiting to see if any more government support is to be forthcoming to cover loss of income during the Covid lockdown

Planning - there is a certain amount of concern over the performance of the planning function which is being pursued by the Conservative group. My particular issue is the discharge of conditions without the local ward member being consulted.

**Alfold road ditch** - I have raised concerns about Parish and Waverley Open Spaces dept not being consulted. I have suggested we may have to fill it in to make it safe but I am pushing for the waste water from Miller Lane to be piped rather than open ditched.

**Gratton chase Sewage discharge** - I have raised an enforcement investigation as the Planning Condition was wrongly discharged and Waverley is discussing with Thames Water and Vanderbilt homes. The discharge of condition 18 was on the basis of a gravity flow which despite being identified by Parish Council as not possible was accepted by Thames Water. A number of residents in the village have complained about the smell being created by the sewers from Gratton Chase and the impact appears to be spreading to Binhams Lee and Binhams Meadow.

Local Plan Part 2 is on track for completion by end of the year for Council approval and I have identified before Dunsfold Needs to have site allocation within the Neighbourhood plan complete or Waverley will allocate sites.

20. SURREY COUNTY COUNCIL

Unitary Proposal - SCC are developing their plan for a single unitary authority - Waverley and other districts are preparing for an option of multiple or a single unitary authority.

I am investigating the SCC 2050 infrastructure plan which identifies Cranleigh across to Dunsfold Park as a development zone. The AONB extension to include Dunsfold AGLV will be critical as the new planning white paper will be protective of Green Belt and AONB but AGLV will disappear.

21. FUTURE AGENDAS

Nothing requested.

22. PRESS AND PUBLIC

Exclusion of press and public in accordance with section 100A (2) and (4) of the LGA 1972 if required.

There being no further business, the Chairman closed the meeting at 9.00pm. The next Parish Council meeting will be held on 15th October 2020 at 7.30pm.
