

STEPHEN HAYWARD has lived in Dunsfold for 24 years. He has run his own business as an advertising photographer in London since 1990 with clients including Hackett, Links of London, Waitrose and Goodwood. He has been a parish councillor for the past 20 years and chair of the council for 4 years. He was also a Governor at the Royal Surrey Hospital for 3 years.

He sat on the village shop committee, during which time he helped with the community purchase of the village shop, the Commons Steering Group and currently he represents the village on the Dunsfold Park Advisory Group. Stephen has also been an active member of the team responsible for drafting the Dunsfold Neighbourhood Development Plan which he believes will be an essential tool if we are to prevent the uncontrolled spread of development across the parish as has already been seen in Alfold. He is also very keen to see the school building restored and back in community use for the benefit of the village.

Stephen wants to ensure that Dunsfold continues to develop in a way that keeps the village alive and make sure that it moves with the times whilst retaining its unique rural character and remarkable community spirit.
