

DUNSFOLD PARISH COUNCIL

Here is an update of what the Council has been doing since last month.

Thames Water Tankers

It seems that the pumping operation in the village has now ceased, although we are still receiving reports of work vans on site.

Representatives from the Parish Council are met with Thames Water at the end of March, together with Alfold Parish Council, Jeremy Hunt MP and Cllrs Kevin Deanus and Jane Austin. Whilst there is a commitment to line the sewers in Alfold, there is no such commitment in Dunsfold. Mr Hunt is taking the issues raised up with the Managing Director of Thames Water. The Parish Council will continue to liaise with all parties to seek a resolution.

Annual Parish Meeting – Tuesday, 14th April 2026

Over 40 residents attended this meeting, including representatives from local organisations. The Chairman of the Council, David Griffiths gave a report of what the Council has been working on over the past year. This was followed by presentations from the local groups on the work that they do in the village.

Cllr Griffiths urged residents to contact the Clerk or himself direct if they had any questions on what the Council is doing. Social media is not monitored constantly, and much misinformation has been circulating. (Contact details below)

West Surrey Unitary Authority Elections – 7th May 2026

Elections are being held on Thursday, 7th May to elect two councillors to the new West Surrey Unitary Authority. Dunsfold Polling Station is at the Winn Hall, Dunsfold Common Rd, and will be open between 7am and 10pm.

More details can be found on the Waverley Borough Council website Waverley.gov.uk

Tree Survey

A tree survey is currently being undertaken on trees on Common land, which the Council leases from Waverley Borough Council. No work has been carried out for a number of years, so it is expected that the cost of any surgery identified will be quite high. However, the Council has budgeted for this to be undertaken in this financial year.

Councillor Surgeries

These are held in the Nugent Room at the Winn Hall between 10am to 11am; the next date is Saturday, 9th May
