

DUNSFOLD PARISH COUNCIL

Here is an update of what the Council has been doing since last month.

Thames Water Tankers

It seems that the pumping operation in the village has now ceased, although we are still receiving reports of work vans on site.

Representatives from the Parish Council are meeting with Thames Water at the end of March, together with Alfold Parish Council, Jeremy Hunt MP and Cllr Kevin Deanus. We will be discussing not only the problems around the pumping activities but also the wider implications of lack of water treatment capacity in the area.

Annual Parish Meeting – Tuesday, 14th April 2026

Sometimes called the Electors' Meeting, this is where the Chairman gives a report on the activities of the Council over the past year. We also invite village groups and organisations to give presentations. This year it is on Tuesday, 14th April in the Winn Hall, starting at 6.30pm

Council Tax

The Council agreed to increase its allocation of the Council Tax, known as the precept, to £78,000 at its meeting in December 2025, up from £55,000 in 2025/2026. Funding is required for regeneration works to the ponds and for tree works on the Common. In addition, Council's general reserves were noted as low by the Internal Auditor which needed addressing. However, this increase only equates to an additional 70p a week for a Band D household.

Councillor Surgeries

These are held in the Nugent Room at the Winn Hall between 10am to 11am; the next date is Saturday, 11th April.
